## School Travel Policy

December 2025

Review Date: December 2026

At St Martin's C of E Primary School we encourage pupils, parents and staff to travel actively to school by walking, cycling and scooting whenever possible.

This school travel policy explains how St Martin's C of E Primary School encourages active travel. We discuss the policy with our pupils and re-visit it every year to ensure its relevance. This policy has been agreed by the Senior Leadership Team and shared with staff, governors, pupils and parents.

For pupils and staff who are unable to walk, cycle or scoot their whole journey to and from school, we encourage the use of public transport, car share and park and stride.

### **What are the benefits of active travel?**

- Improves mental health leading to improved attendance and academic success
- Improves physical health, helping pupils to achieve the recommended minimum of 60 minutes of physical activity per day
- Promotes independence and improves road safety awareness
- Reduces congestion and noise in the community
- Improves air quality around the school

In order to ensure as many pupils as possible are given the opportunity to realise these benefits, we each have an important role to play:

### **Staff**

**We encourage pupils to travel to and from school more safely and actively by:**

- Promoting the benefits of active travel
- Celebrating the achievements of those who travel actively to school
- Raising awareness of the air quality benefits of active travel
- Providing cycle and scooter storage on the school site
- Providing annual cycle training
- Ensuring we update our school travel plan annually and that it is accredited

### **Pupils**

**To make active travel a positive experience for everybody concerned, we expect our pupils to:**

- Behave in a sensible, safe and respectful manner and to consider the needs of others when travelling
- Use lights and high-visibility clothing where appropriate and consider wearing a cycle helmet
- Check that their bicycle or scooter is roadworthy and well maintained
- Follow the rules of the road (Highway Code) when travelling

### **Parents and carers**

**For the wellbeing of our pupils, we expect parents/carers to:**

- Encourage their child to travel actively to school
- Consider walking, cycling or scooting with their child
- Encourage their child to take up opportunities to develop their competence and confidence in walking, cycling and scooting
- Provide their child with safety equipment as appropriate, which may include high-visibility clothing, lights, cycle helmet and a lock
- Ensure that the bicycles and scooters ridden to school are roadworthy and well maintained

Parents and carers are reminded that they are responsible for the safety of their child on the journey to and from school.

St Martin's C of E Primary School would like to thank you in advance for supporting our travel policy. If you have any ideas on how to promote, or provide new opportunities for active travel please get in touch.
